

## Ultimate Venice by Gondola

---

3 hour

See Venice from your own private gondola as you travel along the small canals that criss cross the city, with your guide explaining the history of the buildings as you pass by.

Then take a walking tour along Venice's narrow, winding streets, crossing tiny bridges over the cities' many small canals. See the square where Venetians once built their gondolas, visit San Sebastiano to see the works of Paolo Veronese, and tour Piazza San Marco.
