

Ultimate Venice

3 hour

See Venice by land and by water! Enjoy a magnificent view of Venice from your private boat on an hour's cruise along the Grand Canal, with your guide explaining the history of the buildings you pass by. Begin with a walking tour along Venice's narrow, winding streets, crossing tiny bridges over the many small canals that criss cross the city. See the square where Venetians once built their gondolas, visit San Sebastiano to see the works of Paolo Veronese, and tour Piazza San Marco.

Then board your private boat for a cruise along the Grand Canal.
