

ASSISI WALKING TOUR

PRIVATE GUIDED EXPERIENCE | 3 HOURS | SACRED BEAUTY IN EVERY STONE

Walk where saints once walked. See where art and faith were born. This private walking tour of Assisi is more than a visit, it's a spiritual and cultural immersion into one of Italy's most poetic and revered towns. With your expert local guide, discover the sacred landmarks, medieval alleyways, and timeless frescoes that shaped the legacy of St. Francis and the soul of Umbria.

Begin in the Upper Town: Basilica of St. Clare

Your journey begins at the peaceful Basilica of St. Clare, set on a panoramic piazza that offers sweeping views over Rocca Maggiore, San Rufino Cathedral, and the vast Umbrian valley. Your guide will explain the deep connection between Clare and Francis, their friendship, their courage, and their shared spiritual revolution.

A Town Carved in Time

Walk through winding stone streets toward the Chiesa Nuova, a modest yet powerful church built on the site of St. Francis' birthplace. Continue to Piazza del Comune, the civic heart of Assisi, where medieval buildings surround the remarkably preserved Roman Temple of Minerva, dating back to the 1st century BC.

See the Captain of the People's Tower and learn about Assisi's original measuring systems, carved in stone and still visible today.

The Path to the Basilica

Follow your guide down Via San Francesco, a scenic street lined with artisan shops and historical landmarks. Along the way, stop to admire:

- The ancient Pilgrims' Hospital
- The Stone Masons' Guild Headquarters
- Quiet corners that whisper centuries of devotion

The Masterpiece: Basilica of St. Francis

Your tour culminates with a full guided visit of the Basilica of St. Francis, both Upper and Lower churches. Admire the spiritual majesty of frescoes by Giotto, Cimabue, Pietro Lorenzetti, and Simone Martini, each one telling stories of light, humanity, and divine grace.
